When selecting the Key Lastic Flex-Flor Color Blend for your application, please carefully consider:

1. **APPEARANCE**: Light colors tend to show more “shadow” than dark colors.
2. **TRAFFIC & MAINTENANCE**: Wheel marks and dirt are more visible on light colors than on dark colors.
3. **SPILLAGE**: What might be most commonly spilled on the floor?
   - Consult your KEY REPRESENTATIVE to determine the degree of chemical resistance you may require prior to selection of the finish sealer.

**KEY RESIN COMPANY** provides this color guide for preliminary color selection only. Please refer to a physical sample prior to making a final choice. Please contact your KEY REPRESENTATIVE for assistance.
